LARGEST AIR FLEET YET ATTACKS BRITAIN

APOLOGY MADE FOR FLYERS' ERROR IN BOMBING WARSHIPS

Greek Destroyers Mistaken for British Is Excuse Made by Italian Naval Attache at Athens To Premier John Metaxas—Partial Mobilization Ordered by Greece

ATHENS, Aug. 16 (AP).—The Italian naval attache was reported in reliable circles tonight to have apologized to Premier John Metaxas for the aerial bombing directed at two Greek destroyers today, declaring the Italian flyers had mistaken them for British ships.

(At this point the Greek censor cut the connection in which this story was being telephoned to Budapest. The following matter was received earlier in the evening.)

The Greek Government, however, ordered partial mobilization. A high authority declared definitely the commanders of the destroyers against which seventeen bombs were directed without a hit, had identified the attacking planes as Italian.

Witnesses told the same story. The destroyers escaped being hit by zig-zagging. They did not fire on the attacking planes.

In the mobilization call for August 20 was one category which military

Canada and U.S. Discussing Joint Defence Proposal

Roosevelt and Mackenzie King to Confer at Dinner Tonight on American Hemisphere Security—U.S. President Announces Negotiations for Bases on British Possessions

BOARD ROOSEVELT TRAIN EN ROUTE TO NEW YORK, N.Y., Aug. 16 (AP).—President Roosevelt followed up his announcement in Washington that the Canadian and United States Governments are discussing "the defence of the American hemisphere" by disclosing tonight that Prime Minister W. L. Mackenzie King of Canada would dine with him tomorrow night at Ogdensburg, N.Y.

J. Pierpont Moffatt, United States Minister to Canada, also will be present.

White House officials made only the bare announcement of those two facts about the President's special train as it traveled toward upstate New York to give Mr. Roosevelt a chance to inspect troops participating in peacetime war games.

Presumably the President and Mr. King will discuss specific methods of United States-Canadian co-operation on Western Hemisphere defence and possibly the question of American acquisition of naval and air bases on British possessions in the Americas.

At his press conference earlier today, when he disclosed that conversation, he disclosed that conversation.

THREE FLYERS DIE IN CRASH

R.C.A.F. Plane Plunges Into Sea on Coast of Cape Breton

NORTH SYDNEY, N.S., Aug. 16 (CP).—Three flyers were killed today when an aircraft of the Royal Canadian Air Force crashed into the sea, an R.C.A.F. communique announced tonight.

The announcement said the plane crashed near Herford Island, off Cape Breton on the Cape Breton coast, while carrying out gunnery practice.

The aircraft sank immediately after crashing into the water, and an attempt to rescue the crew by local inhabitants on the mainland was of no avail, the communique said.

The victims were announced as: Flying Officer T. C. E. Lay, Regina; Leading Aircraftman A. J. Hurley, Vankleek Hill, Ont.

Aircraftman G. R. Raymond Norton, N.B.

The airplane left shore about 9 a.m., and one and one-half hours later shore residents saw it plummeting into the Atlantic. Word was relayed to the air base, and several planes went out and patrolled the area without success.

Further search will be carried out tomorrow.

Flying Officer Lay and Aircraftman Raymond were unmarried. Hurley was married.

Smashing Raids Made by R.A.F. On Italian and German Centres

THE TIMES, London

News and Comment on International Events selected from The Times daily and published in The Daily Colonist by special arrangement with The Vancouver Daily Province.

(Copyright, 1940, by Southam Co.)

LONDON, Aug. 16 (By Cable).—There can be not the slightest doubt, says The Times today, that it was an Italian submarine that sank the Greek cruiser Helle in the Aegean Sea. The attack follows hard upon the violent anti-Greek campaign in the Italian press and precedes an expected presentation of an Italian "note of protest" on the subject of the murder of the Albanian Daut Hogia.

The chief question now, says The Times, is how far Italy proposes to go in her attempt to browbeat her smaller neighbors across the Adriatic. The significant point about the Hogia case is that the man was murdered about two months ago, but only now does Italy reveal interest in his fate.

It can hardly be the intention of Italy to drive Greece into hostilities, says The Times. This would be in accordance with terms of the British pledge to Greece to bring the British Navy to her help and give it use of valuable Greek harbors. It is more probable that Mussolini is practicing his favorite sport of browbeating and hopes to promote, without adding to the number of his enemies, his ambition of extending power on the eastern side of the Adriatic.

The Times Gibraltar correspondent says it is reported from Ceuta that some Spanish troops have landed from Spain with artillery and tanks and are proceeding inland through Tetuan. The destination is believed to be the border of the international zones. It is also rumored that families have been ordered to evacuate Ceuta and Algeria, and that Moorish troops are under orders to proceed to Spain.

The suggestion is put forward that if Spain does not take Gibraltar the Italians will, which would mean permanent loss of the Rock to Spain. French permits to leave the international zone are being refused to all British subjects and Allied nationals between the ages of seventeen and fifty. Strong anti-British propaganda continues. A French airplane carrying officials from Africa to France, was shot down by Italians on August 12, despite the fact the Italians had been notified of the flight.

The situation in British Somaliland certainly is not less serious, says The Times military correspondent. The Italian strength is even greater than at first thought, and is estimated at about 10,000 in columns operating against the Jubbah position. Another column has advanced along the coast to within seventy miles of Berbera. Whatever successes the Italians achieve, their forces must remain a beleaguered army which must live on its reserve supplies and whose hope of survival is that Hitler may pull Mussolini's chestnuts out of the fire by winning the war elsewhere.

LONDON, Aug. 16 (CP).—The war's second naval Victoria Cross was awarded tonight to Lieut. Richard Stannard, of H.M.S. Arab, for a standing valor and signal devotion to duty at Namsos.

Lieut. Stannard was aboard the trawler Arab in the bombed and burning harbor of Namsos, Norway, for five days of fierce enemy air attacks.

When Nazi bombers fired tons of hand grenades on a wharf, Lieut. Stannard ran the Arab's bows against the wharf and tried vainly to quench the flames with hoses from the ships' forecastle. There was no water available ashore.

Lieut. Stannard placed the damaged ship under the shelter of a cliff and landed the crew and the crews of two other trawlers and formed an armed camp.

When another trawler nearby was fired by a bomb the lieutenant, with two other men, boarded the Arab and moved her 100 yards before the other trawler blew up.

The Arab endured thirty-one bombing attacks during five days, but Lieut. Stannard eventually brought the ship back to England with only one man wounded.

LONDON, Aug. 16 (CP).—Great Britain formally charged early today that German bombers, part of a huge air fleet which raided London's suburbs and both sides of the Thames yesterday, made a "deliberate attack" on the "residential town of Eastbourne" and killed "several persons."

The accusation was made by the Air Ministry and the Ministry of Home Security in a joint bulletin which said seventy-one German planes were destroyed against eighteen British fighters lost in the tremendous air fighting yesterday. Ten British pilots of downed planes are safe, however, the bulletin said.

The main section of the Empire's Capital was not touched.

The far-ranging German raiders, who kept up their forays over Southern England last night and early today, dropped bombs "at many points in the country districts of Hertfordshire, Essex, Surrey, Hampshire and Oxfordshire. Little damage was done. Reports indicate the number of killed was small," the Air Ministry said.

German planes flew over Wales early today. Bombs were dropped in one town and several casualties were reported.

The accusation against the Nazis of civilian bombings was the first formally made by Britain in this war. Earlier bulletins, however, have told of civilian fatalities and the destruction of buildings, dwelling houses and churches by German raiders.

Eastbourne in peacetime is a famous holiday resort on the English Channel with a normal population of more than 57,000. Early last month it was classed as a defense area after being considered for months as a "safe" area.

In the attack on the London area, bombs fell on the great docksides at Tilbury and on an airfield in the Isle of Wight.

There were casualties—an undisclosed list of dead and injured—and there was damaged residential property.

LONDON HAS TWO RAID ALARMS
This ancient city's millions twice had to take cover—once at luncheon, again just before tea time.

(From 7:30 a.m. to 12:19 p.m., P.S.T., no information dealing with the London raid was allowed by the censor to be transmitted.)

The air force defended this heart of the Homeland with savage efficiency. Of the twelve planes lost the pilots of eight were safe.

Fighter planes were not alone in the struggle. The shells or "archies"—anti-aircraft guns—filled the skies. From the far-scattered wreckage, bodies were being brought forth tonight.

The invading Nazis struck at London in two big flying columns.

The first was split by the defenders and part of that wave was turned back before reaching the city's outskirts. The remaining bombers, racing above the Thames Estuary, bombed it on both sides—hitting both the Tilbury Docks and the Northeast section across the estuary, the site of big cement works thirteen miles from London.

Here an undetermined number of persons were killed.

The German column sped on around the southeast of the city but dropped no bombs.

Later, fresh Nazi squadrons roared up the estuary, bombing bombs in the southwestern suburb.

The approach of the raiding force was announced by the siren.

LATE NEWS BULLETINS

ENEMY PLANES IN DAWN ATTACK ON WALES
LONDON, Aug. 17 (CP).—German warplanes attacked a wide area in Wales before dawn today, dropping a number of bombs. Two Welsh towns reported casualties, including one fatality, and property damage. Night raiders appeared to have shied away from air defenders over England and Scotland, however. Two bombs struck the main square in one Welsh town, damaging houses and setting a blaze which a fire brigade immediately checked.

SWISS PROTEST TO BRITAIN ABOUT PLANES
ZURICH, Switzerland, Aug. 16 (AP).—Switzerland late tonight experienced its third air raid alarm in four days. Sirens screamed in Zurich at 11:35 p.m. (3:35 p.m. M.S.T.). It was believed that the alarm, as on the two previous nights, was due to planes flying toward Italy, although no communique was issued. (Switzerland today protested in Britain against flights over Swiss territory in bombing raids aimed at Italy.)

AIR MINISTRY DISCLOSES ROYAL AIR FORCE LOSSES
LONDON, Aug. 17 (CP).—A casualty list issued by the Air Ministry today brought the total of Royal Air Force losses since the outbreak of war to just over 4,300, of which nearly one-half—1,854—are shown as "missing."

Saanichton Veteran Gives His Treasures To Public Treasury

Prime Minister Deeply Touched by Gift of Medals, Emblems and Jewels From David Lyle as Contribution Toward War Effort

OTTAWA, Aug. 16 (C.P.).—A seventy-three-year-old retired sergeant-major of the Royal Engineers, of Saanichton, who asks nothing in return other than a rifle and ammunition with which to meet enemy parachutists, has sent his entire treasure of medals and trinkets and \$5 cash to the Public Treasury—a gesture which Prime Minister Mackenzie King says "has touched me more deeply" than all the many examples of personal generosity toward the war effort.

The veteran donor is David Lyle, who served as a forerunner of works sergeant-major in North China. In a letter to the Prime Minister accompanied by a shoe-box full of trinkets, Mr. Lyle said: "My only regret is that they are not more valuable."

The collection of strikingly beautiful Masonic jewels and emblems, service medals, a gold watch and jewels, some evidently presented to Lyle and his wife by admirers in China, dual wedding rings of heavy gold and personal jewelry, is being held pending decision as to disposal.

MASONIC EMBLEMS

Sergeant-Major Lyle asked that the Masonic emblems be acknowledged "just as a record and a reason for attending Masonic functions without the jewels, if asked."

In a postscript Lyle wrote: "Could your Minister for War arrange for me to have a rifle and say, 100 rounds of ammunition, so that I could sit on my veranda and watch

TO BE BORNE IN MIND

The Prime Minister said he would ask the Defence Minister to consider what disposition could best be made of the gift, and assured Lyle that if the emergency arose, "the Minister of National Defence will bear in mind your willingness to serve in a more active capacity."

"May I offer you my best wishes for your personal happiness, which I hope will be enlarged and increased by the knowledge that your practical and generous assistance to Canada's war effort is warmly appreciated by the Government of Canada," the Prime Minister concluded.

Veterans Are Ready to Serve Again

Attorney-General Gordon S. Wiemer, K.C., one of the prime movers in the Provincial Government's internal security move, had nothing but the highest praise for the smart turnout of veterans of 1914-18, whom he inspected during their evening training parade this week. Numbering 225, the veterans—members of the Britannia Branch and Pro Patria Branch, Canadian Legion, training corps—held a special parade in Mr. Wiemer's honor on the High School grounds. In the above picture, the Attorney-General is shown inspecting some of the older soldiers. Speaking to the veterans after the parade, he assured them that they would have an important place in the scheme of things for this province.

been attacked by a vast fleet of some 2,500 German bombers and fighters. And then this capital of Empire itself was drawn into the theatre of action.

Aside from the metropolitan area, the raiding Nazis sprayed Great Britain with explosives from Scotland to the south coast of England and from Wales on the west to the east coast.

Their objectives were the industrial areas, shipping, airmen—at every point of British resistance in what seemed an obvious effort to break Great Britain from the air in a plan of strategy which, if successful, would avoid the great risk of trying an invasion across the English Channel.

So great, so widespread, so thorough was this aerial invasion none could say how many thousands of planes were at grips.

ACCURATE COUNT IMPOSSIBLE
Today's engagement was so big as to be difficult to describe in detail. At one southeastern town alone, at one time, 400 German raiders were counted as they swept across the coastal frontier, and they came on and on after the count was stopped.

The number of civilian dead was known to be growing but there was no comprehensive count available and none immediately in prospect.

Great Britain, meanwhile, announced vast new bombing attacks on military objectives in Italy, Germany and sections of Nazi-occupied France and Holland.

The War Ministry listed as attacked: A Fiat airplane engine factory at Turin, Italy; Caproni aircraft works at Milan; a blast furnace near Genoa; oil plants at Gelsenkirchen and Reicheholz; munitions plants at Lunen, Essen, Gladbach and Düsseldorf; wharves at Emmerich on The Netherlands-German frontier, supply depots at Hamm and Soest, and many and sections of Nazi-occupied France and Holland.

ONE-WEEK DRIVE HOSPITAL PLAN

Jubilee Directors Discuss Campaign for Extension Funds at Luncheon

Preliminary plans for the conducting of a one-week drive to raise funds with which to provide adequate accommodation at the Royal Jubilee Hospital to meet war needs and the city's own growing demands were made yesterday at a luncheon meeting held by the directors of the Royal Jubilee Hospital in the Nurses' Home.

Representatives of all organizations supporting the Royal Jubilee Hospital, together with delegates from various service clubs, were invited to attend.

As a result of the general discussion which took place, an organizing committee, headed by Mrs. T. G. Shepherd, was formed, and this committee will meet at the Nurses' Home on Monday night at 8 o'clock to work out the details of the programme.

MUST RAISE \$35,000

Need for raising \$35,000 with which to complete financing of the new wing was brought forcibly home to those present, when Mrs. Shepherd pointed out that the Royal Jubilee Hospital under its constitution could not borrow money, and hence the financing of the new wing had to be done through public subscriptions, or private donations.

Edwin Tomlin, chairman of the board of directors, was convener of the meeting, and outlined the hospital's needs. He, too, explained that \$35,000 was needed to complete financing, and that the City Council had granted Saturday, August 31, as a Hospital Day on which to sell tags in aid of the project.

Deep concern was felt by the directors, he said, over the situation that had developed in connection with the war, and the directors were most anxious to push to a conclusion the construction of the new wing so that the hospital would be in a position to handle any wounded soldiers repatriated from the war zone.

OFFER SUGGESTIONS
Suggestions were advanced by various delegates with the result that the organizing committee was formed to work out a one-week campaign in which hospital beds would be stationed at strategic points in the downtown area so that citizens might lose their contributions onto the cot, which would buy furnishings for the new wing. This campaign would be climaxed with a tag day on Saturday, August 31, in which those unable to give larger amounts could purchase tags in support of the new wing.

Of 600 private citizens already approached for donations, responses have been received from some 200, and it is expected that further donations will be forthcoming, as many of these citizens return from their vacations.

In the drive for funds during the week commencing August 26, it is hoped to have the assistance of two bands and the concerted effort of all service clubs and women's organizations which constantly help the hospital.

TEN SAFE AFTER SHIP DESTROYED
R.C.A.F. Announces Loss of Marine Craft Due to Explosion Off Nova Scotia
OTTAWA, Aug. 16 (C.P.).—Royal Canadian Air Force headquarters tonight announced the loss of a marine craft, due to an explosion, thirty-five miles off the coast of Nova Scotia. The crew of ten are safe and suffered only a few minor bruises.

No reference was made to the cause of the explosion. "The crew of ten abandoned the ship at approximately 11:45 a.m., August 15, in a dory," said the statement. "They were picked up at 10 o'clock, August 16, by an American swordfisherman after spending ten hours in their open boat. The American ship landed them at Glace Bay at 1:30 p.m. the same day."

"There were no casualties except for a few minor bruises suffered during the explosion. The party is now en route to Dartmouth, N.S."

REGISTRATION STARTS ON MONDAY August 19th

Commencing Monday, August 19th, Canada calls on her citizens, 16 years of age and over, regardless of nationality, to register. Because of the magnitude of this task the Government asks those who must register to study the questionnaire carefully. Every question must be answered truthfully and without evasion. It is imperative that every one 16 years of age and over register. You will make the whole task easier for yourself and the Government by registering early. Registration will last for three days only.

REGISTRATION DATES August 19th, 20th, 21st

EVERYONE CAN HELP—To keep the cost of this registration at a minimum the Government is asking the co-operation of all public-minded citizens in the work of registration. You can help by getting in touch with your local registration officials and offering your services.

WHERE TO REGISTER
Registration offices are being set up by electoral districts in the same manner as in the last Dominion election.
Registrants are required to register in the regular polling subdivisions of their own constituencies. But should a registrant be in some other province or district out of the regular polling subdivision on Registration Days, he or she may register at any registration office convenient, upon satisfactory explanation to the local deputy registrar.

Penalty for Non-Registration—Failure to register will make any male or female, married or single, over the age of 16 years, liable to a fine not exceeding two hundred dollars, or to imprisonment for a term not exceeding three months, or to both such fine and imprisonment, and moreover to a further penalty not exceeding ten dollars for each day, after the day upon which he should have registered, during which he shall continue to be unregistered.

OFFICIAL STATEMENT
The Royal Air Force communique said:

"A highly successful raid was made on Bomba by the R.A.F. on Thursday, inflicting damage on a number of float planes and flying boats in the harbor."

"A petrol fire was started which ignited a flying boat jetty and also two flying boats. A flying boat petrol tanker exploded and continued to burn alongside the jetty. Two other flying boats in the harbor sank and a majority of the remainder were hit."

"All of our aircraft returned safely. In Italian East Africa raids were made on Macassa, Jijiga and the Desaye district. Hits were registered on hangars at Macassa and on air-drome buildings at Desaye."

"One enemy aircraft was left burning on the ground."

HOMEMADE SHELTER FAILS

In the Midlands, anxious men and women hurried to a homemade shelter. It was not a good shelter. A single bomb tore it asunder and several—no one knew how many—died there.

In the same town, two elderly women would go to no shelter. A bomb fell on their house; one died; the other was so injured she may not live.

In the working-class section of a southeastern town, bombs fell in a school playground and a single residence rocked violently and then settled in a mass of splinters. People—nobody knew how many—were trapped in that house.

FIRST CLASS TO COMPLETE

Number of Wireless Operators Will Be Posted to R.C.A.F. Units

MONTREAL, Aug. 15 (CP)—The first class to complete training in the wireless division of the British Commonwealth air training plan today stepped from the drill field toward the wireless school at the Royal Canadian Air Force units in Canada and abroad.

The entire wing, student body of 100, wireless training school, took part in the military graduation ceremony. Of the 1,100 young Canadians, 163 had completed their six months of training and left the school as the first output of wireless operators under the plan.

These men, representing every province, are now fully equipped and ready for service in any field as the "ears" of Canada's air force. At least ninety-three of them already have been posted for service with R.C.A.F. units.

INTO ITS STRIDE
Air Commodore R. Leckie, Ottawa, addressed the newly-qualified radio men, stressing the significance of the ceremony as an indication of the air training plan "has really got into its stride" after half a year of foundation work.

"The foundations for the scheme have now been laid," said the air commodore, who has twenty years' experience with the Royal Air Force. "In the next six months the structure will begin to rise and the flow of Canadian airmen to England will start."

The air commodore said Canadian airmen looked with pride at the Mother Country standing alone—"the war-seared old lion, never so dangerous as when she is fighting mad, and she is fighting mad now."

ALL DOWNHILL
Commenting in an interview after the ceremony on today's renewed aerial attack on Britain, he said: "If Germany fails in the next two months in her objective of breaking England, she's finished. The peak of the offensive must come this autumn, and if England holds out till then, after that it's all downhill for Hitler."

Speaking "from long experience with the Royal Air Force," he declared it was "generally recognized" in British military circles that Canadians are "peculiarly suitable for work in the air." This had been discussed much by high British air officials who could find "no ready explanation for it."

German Reports of British Tonnage Lost Is "Wild Exaggeration"

LONDON, Aug. 16 (CP)—The Admiralty said today Britain has lost forty-seven naval units in the war, against German and Italian claims that 269 British battleships, battle cruisers, aircraft carriers, cruisers, destroyers and submarines had been destroyed.

British, Allied and neutral merchant losses up to August 4 were 2,514,159 tons, compared with German claims of 5,078,038 tons, it declared.

The Germans, one official observed, must see a lot of ghost ships. The Admiralty described as a "wild exaggeration" the German High Command's communique of July 12 which said more than 300 ships "suffered serious damage" as a result of making unseaworthy in the future or unusable for months to come on account of necessary repairs.

Captures, new construction and transfers of ships to British registry, it said, brought the Empire's merchant fleet to a total tonnage beyond the 20,000,000 it had at the outbreak of the war. This includes 18,500,000 of seagoing tonnage.

"The total tonnage of our Allies was between 6,000,000 and 7,000,000 tons, but by no means was all this comprised of charters to the British Government," the statement said.

"Neutral ships under charter to us amount to about 750,000 tons gross of various nationalities. Danish and French shipping in the Allied service amounts to about 800,000 tons altogether."

SMART ACTION SAVED PLANES
Blaze Threatening Yankee Clipper and Clare Put Out by Mechanic

NEW YORK, Aug. 16 (AP)—A quick thinking mechanic who extinguished with his hands a blaze that threatened to destroy the Yankee Clipper and the British flying boat Clare was the hero of Laguna Field today.

Richard E. Ditty, thirty-two, leaped to the port sea wing of the Clipper and plunged his hands over a ventilation aperture from which flames sprouted, shortly after midnight, as a crew was making routine repairs of the ship, following its arrival yesterday from Lisbon.

He stifled the blaze so thoroughly that the aluminum paint on the wing was unscorched. Another mechanic suffered superficial face burns.

The blaze was attributed to a spark of undetermined origin which ignited fumes from gasoline tanks in the fuselage of the plane.

A few yards from the Clipper was the Clare, which also arrived yesterday.

Thomas Reid, night superintendent at the hangar, said there was no evidence of sabotage.

WAVY NAVY MEN NOW IN ENGLAND
Lieutenants Shaw and Campbell, Victoria, to Continue Training With Royal Navy

Two Victoria officers of the "Wavy Navy"—colloquial term for the volunteer reservists because of the gold braid design on their cuffs—have reached England in the latest draft of R.C.N.V.R. officers. They are Lieut. John Shaw, Victoria news-paperman, son of Mr. and Mrs. Brimstick Shaw, Royal Oak, and Lieut. A. Craig Campbell, son of Gordon Campbell, manager of the Bank of Nova Scotia here.

According to an Ottawa announcement, they and others of the draft of officers will receive intensive training at establishments of the Royal Navy in England, and will eventually serve in ships of the Royal Navy or the Royal Canadian Navy.

Lieut. Shaw formerly reported for The Daily Colonist and The Victoria Times, and later spent several years in China where he entered the Royal Naval Reserve. At the outbreak of war he was called for service with the R.C.N.V.R. At that time he was correspondent in the Legislative Press Gallery here for The Vancouver Province. His wife and two children are living here.

Others in the draft of officers now in England are Lieutenants R. J. Browne, C. J. S. Ferrand, P. R. Hall, E. H. Maguire, J. E. Taylor, C. O. Trotter, R. H. Wilson and Sub-Lieutenants R. M. Bell and H. C. K. Housler, all of Vancouver; Lieut. James A. Bryant, Prince Rupert; Sub-Lieut. T. L. Punnett, Duncan; Sub-Lieut. Frank Spencer, and Sub-Lieut. D. W. Lowe, Calgary, and Lieut. Francis R. Pike, of Edmonton.

HEAR ABOUT AIR EFFORT

Group of United States Weekly Newspaper Editors Visit Ottawa

OTTAWA, Aug. 16 (CP)—More than 3,500 air crew students will be studying in sixty establishments in operation throughout Canada, September 1, James S. Duncan, deputy minister for air, today told a group of United States weekly newspaper editors.

The editors were guests of the Canadian Weekly Newspapers Association and the Hotel Association of Ontario at luncheon.

Mr. Duncan invited Americans both "officially and unofficially" to "come over here and study our plan and discuss your problems with us."

"There never was a time in the history of our two peoples when a more complete understanding and community of spirit existed between us than at present," he said. "And if there is hope in this world of bitter strife in which we are living, surely it is the example of friendship, of mutual esteem and of understanding which characterizes the relationship between your country and this Dominion."

TRIBUTE TO ARMEN
Mr. Duncan paid tribute to the exploits of United States airmen and spoke of the great record of Canada in the last war when the top four Canadian aces brought down 230 planes among them, as against 192 brought down by the top four from other parts of the Empire.

The British Commonwealth air training plan, he said, resembled a great, nation-wide university in which students would assemble from all parts of the Empire. The object was to turn out airmen trained under ideal conditions, free from interruptions and difficulties inherent in training in the United Kingdom.

RETIRING ON MONDAY NEXT

Robert Roff, in Public Service for Thirty-Three Years, Superannuated

ROBERT ROFF

Completing a period of thirty-three years in the Dominion Government Immigration Service, Robert Roff, for the past eleven years inspector in charge of Chinese immigration at the port of Victoria, will retire on Monday next, August 19. Until his successor is appointed, James Marshall, Mr. Roff's chief assistant, will be acting inspector.

Mr. Roff arrived in Victoria from England at an early age. He was born at Great Yarmouth, Norfolk, and came to Canada in 1907. After leaving the local hall of learning was with the Canadian Pacific Navigation Company, where he checked freight on the old dock. While with the steamship company, he also sailed on the company's ships as a freight clerk, among them being the Princess Louise, R. P. Hubert and Yosemite.

Prior to the year 1906, Canada had no immigration act. A year later the late Dr. G. L. Milne was appointed immigration officer and enrolled Robert Roff as inspector. The office was at that time located (and for some years later) at the corner of Douglas and Broughton Streets.

Growing in importance as an immigration gateway, a modern structure, containing offices, examination rooms and detention facilities, was constructed near the ocean docks, where, eleven years ago, Mr. Roff succeeded Samuel Reid, who was Dr. Milne's successor.

Since Mr. Roff was appointed to his present position, there has existed a fine spirit of co-operation between himself and the members of the immigration service at the Dallas Road headquarters of the Canadian Immigration Service. He has also made many friends among the transportation fraternity and traveling public, who will be wishing him well in his retirement after Monday next.

Hare conducted the service, and the hymn, "Through the Night of Doubt and Sorrow," was sung. A profusion of beautiful floral offerings was received. The following were pallbearers: H. C. Wright, A. Woodroffe, Dennis Hagar, Edward Goodall, Wardlaw B. Stewart and Douglas Stewart. The remains were laid at rest in Shady Creek Cemetery.

MARTIN—Funeral services were held yesterday afternoon in McCall Bros. Funeral Chapel for William Henry Martin. Rev. Daniel Walker conducted the services, during which the hymns "Abide With Me" and "Jesus, Lover of My Soul" were sung. Among the many friends attending was a representation from the Britannia Branch, Canadian Legion, also members of the W.A. of the Britannia Branch. Interment was made in Royal Oak Burial Park, with the following as pallbearers: E. John W. Douglas, J. S. Rashleigh, H. Pinnine, F. Collins and J. Tindell. Comrade H. L. Ricketts, president of the North Saanich Branch, Canadian Legion, read the burial service at the graveside.

FIVE MEN KILLED IN EXPLOSION AT PLANT
JOPLIN, Mo., Aug. 16 (CP)—Five men were killed today in an explosion at the Atlas powder plant six miles east of Joplin. The blast occurred in the dynamite unit of the plant, which has been working near capacity because of war orders. Other powder plants also are in the area. Calls from the plant to the Joplin County sheriff's office at Carthage and to Joplin police officers said that a "state of emergency existed."

WHAT A RELIEF!
A bored-looking individual was approaching the exit door of a theatre during the interval in a film show when an attendant approached him and said, "Excuse me, sir, but there's no admittance." In a faint voice the man replied, "Thank goodness for that!"

Market Wilting
In Fair Activity
On Wall Street

NEW YORK, Aug. 16 (CP).—Financial markets wilted today. Stocks, easy at the start, weakened later on a slight uptick in volume and, at the worst, leaders dropped 1 to 2 points, with a few high-priced issues off as much as 4.

Dealings slackened appreciably after the mid-day lull, and, at the close, extreme losses were reduced in most cases. Transfers totaled 312,300 shares against 223,880 yesterday. The Associated Press average of sixty stocks was off 6 1/2 of a point at 41.

Early figures indicated next week's steel mill operations would hold around recent high marks, with the possibility of a modest increase. Retail store sales were up more than seasonally. A sharp rebound was reported in this week's automobile production as assemblies of new 1941 models got under way.

Expanding rail traffic was viewed as a reflection of the beginning of unprecedented armament spending, and prospects of less onerous excess profits taxes were believed to have brightened in Congress.

Some corporate loans rated as speculative and certain foreign loans were down as much as 3 points in the bond market today under new anxieties generated by Germany's vast aerial attacks on the British Isles.

Weakest of the foreigners included Australia, 4 1/2-5, Argentina 4 1/2-5, and Sao Paulo stamped 7 1/2-8. Bonds of Germany and Norway improved.

Little buying in Winnipeg wheat.

WINNIPEG, Aug. 16 (CP).—A sharp break in United States wheat and commodity prices discouraged buying interest on Winnipeg Grain Exchange today and dealings were confined to a few trades in the October wheat future at the Government pegged price of 73 1/2 cents a bushel. There were no trades in December wheat, which closed at its minimum of 74 1/2 cents.

Wheat closed 7 1/2 to 3 1/2 cents lower at Chicago, while Buenos Aires traders remained on holiday. No important business could be confirmed in the cash wheat market, although exporters were seeking No. 2 Northern and the Grains.

Prices tended to ease in sympathy with American markets in the coarse grain pit, with October rye slipped 2 1/2 cents. Other losses were small as milk gave some support to barley and export houses took some barley.

CHAPTER XXV

"Chicken patties by Caston's—they do sound yummy." The two girls broke into what amounted to a trot.

Miss Cook went so far as to unbend into a ghost of cordiality when Marilyn reported to her after lunch.

"You did nicely with your slogans this morning, Miss Marsh," she said, her eyes making a penetrating study of her subject. "We may find use for two of them. I was beginning to think we had made a mistake bringing you to Clara. If you have had trouble adjusting yourself, if there has been outside distractions, put such things behind you. My patience is not everlasting, and it is time you show more than promise. You understand, don't you, Miss Marsh?"

Marilyn met the penetrating study with eyes frank and unafraid. "Yes, Miss Cook, I understand," she said. "You've been very kind, and very patient. I shall try to repay you by doing the best work of which I am capable, by allowing nothing to interfere with that work."

"Very well. The main office will want to confer with the board about the slogans. They will get in touch with you later. You may return to your desk now, Miss Marsh."

The telephone was ringing as Lynn and Kathleen entered their apartment that evening, foot-locked and hunched. They had walked home from the office.

"Catch it," Kathleen called to Lynn, making for the cubbyhole kitchenette. "I'm all tangled up in lamb chops and rye rolls."

Bruce Gordon's voice came over the wire. "Great going, Lynn. You turned in a pair of the best slogans we've had in weeks. We're using both of them in our next promotion project. How about coming out to dinner with me? We'll put on paper caps and ring bells."

"Thanks, Bruce," she exclaimed. "Yes, please, and let's hurry. Let's dance and sing, just you and I, until dawn." But what of her promise to Miss Cook? Rest, sleep, they were all but strangers to her. She said, "I love paper caps and I love ringing bells and I love you a dear, but honestly I'm not up to anything except turning in and resting the clock around. Do you mind?"

"Of course I mind, but I'll let you off this once. Until tomorrow, Sweet dreams, sweet!"

Marilyn awakened with a start. The telephone was ringing insistently. She fumbled for the light beside her bed. The telephone kept up its clatter.

"What's the matter?" Kathleen asked thickly through the dark. "What time is it? Who's making that infernal noise?"

"The phone," Lynn still fumbled for the elusive light. "It must be the middle of the night." They saw the light. "Kathie, it's three o'clock. Who would be ringing at this hour?"

"Maybe it's a wrong number. Wouldn't that be just ducky?"

"Might be—Kathie, something's wrong at home—Mama or Dad, or Bill—Yes, this is Marilyn Marsh. What is it, please?"

"Lo, Lynn, this is Clara." "Clarke? Clara who?"

"Your sister Clara. You remember me. We used to know each other back in Millville."

"Clara? Why are you calling me at three o'clock in the morning? Are you in trouble?"

"Trouble? Me? How funny! How perfectly marvellously funny! The Queen of Beauty's on the crest, my dear, marvellously on the crest. Lil' Queen Clarke, that's me. I woke you up to say you can have that stuffed shirt Gordon, I don't

want 'im. He's a p-p-pain in the neck."

"Clara! Clara! Listen, Clara—Marilyn jiggled the hook. The connection had been cut.

"So sister Clara is loose again!" Kathleen said, pushing back her mop of hair, which shone like copper in the half light. "Well, my dear, what are you going to do about it? Throw on your clothes, dash out into the night and play rescue party?"

"No," Lynn said simply. "I'm going back to sleep." She came back to her bed, crawled under the covers and turned out the light.

Kathleen fell back on her pillow. "Well, I'll be a ventriloquist's dummy if Little Sister isn't getting some sense!" she exclaimed. She lay awake until she heard Marilyn's even breathing.

CHAPTER XXVI

Morning came but with no mention by Marilyn of the ill-timed phone call. Worried by her roommate's tilted lipped silence, Kathleen ventured, "One or both of us must have had a nightmare during the wee sma' hours."

"Both of us," Marilyn said, cryptically.

"Thanks. I thought maybe I was getting delusions. I seem to recall a loud jangling noise about three a.m. Sort of like a three-alarm fire."

"Clara called. She was in one of her frenzies. I'm sorry, Kathie. There's no reason why our sleep should be broken into this way. I can't stop her calling, but I can get a room by myself so I'll be the only one bothered."

"You will, over my prostrate body," Kathleen declared. "We took this apartment together to get a little quiet and comfort, and we're going to get it. Clara or no Clara. The next time Clara rings up at all hours to spill her frenzies on you, I'll answer and she'll hear a line that'll curl her hair right off her head. What was she screaming about this time, if I'm not intruding?"

"About Bruce Gordon. It seems she doesn't think too highly of him. She wouldn't have him as a gift. She's turning him over to me."

"Well, now, if that isn't big-headed of her—Big-headed Clara. Couldn't she wait and turn him over this morning?"

"Apparently not. The urge to laint me was too great. She seemed to be in high spirits, in quite a boastful mood. Something must have happened to make her that way."

"You were right the first time, darling. High spirits and plenty of them. I'll bet she was bubbling with spirits. As for something happening to put her in a boastful mood, nothing need happen to get her that way. She's a chronic case of inflated ego. I'd say worse, only she's your sister, so I'll pull my punches. Are you terribly upset?"

"No, not terribly. I've made up my mind not to do it. I have work to do and I'm going to do it, a chance at success and I'll make the most of it. Naturally, being called up at three in the morning by a sister who doesn't know what she is doing is not exactly a steady experience. But it happened, it's over, so I'll dismiss it and concentrate on what's ahead of me in the office. If Clara is determined to turn her good fortune into failure, there is all the more reason for my turning mine into success. We can't both let the Marshes down."

Kathleen gave Marilyn one of her rare impulsive "squirrel squeaks."

"Clara? Clara who?"

"Your sister Clara. You remember me. We used to know each other back in Millville."

"Clara? Why are you calling me at three o'clock in the morning? Are you in trouble?"

"Trouble? Me? How funny! How perfectly marvellously funny! The Queen of Beauty's on the crest, my dear, marvellously on the crest. Lil' Queen Clarke, that's me. I woke you up to say you can have that stuffed shirt Gordon, I don't

Ottawa's Statement Slows Recruiting for Victoria Militia Units

Artillery and Infantry N.P.A.M. Units Here Are Still Open to Volunteers, Pending Receipt Of Orders to Cease Taking Recruits

THE two non-permanent active militia units in Victoria that have not yet been brought up to establishment were still signing on recruits at the Armoury yesterday and last night, and will continue to do so until they receive official orders to halt.

The only intimation commanding officers of the units have received regarding the closing of voluntary enlistments on August 15 is the statement to that effect carried repeatedly by The Canadian Press, on the authority of the Department of National Defence.

However, the widespread publicity given to the Defence Minister's announcement that recruiting would cease on August 15, and belief that the statement would be backed up by official notification, had a detrimental effect on enlistment yesterday, and only a handful of recruits were attested by the 5th (B.C.) Coast Brigade, R.C.A., N.P.A.M., and the 3rd Battalion, The Canadian Scottish Regiment, N.P.A.M., the two units which still need men.

MEANWHILE, notwithstanding Ottawa's August 15 deadline proclamation, authority was received here from Ottawa yesterday for another N.P.A.M. unit to be mobilized here and in Vancouver, with recruiting to begin tomorrow. This will be the 1st Searchlight Battery, R.C.A., of 250 men, under Lieut.-Col. E. B. Westby, Vancouver. The battery will be divided into three troops, two in Vancouver and one, consisting of two officers and eighty other ranks, in Victoria.

The Victoria troop will be commanded by Captain A. A. Ransom, R.C.A., C.A.S.F. Two appointments in the unit, those of drill instructor and clerk, will be on a full-time C.A.S.F. basis.

The unit is to be recruited as speedily as possible. It will operate coast defence searchlights, and experience will be given to men with electrical or mechanical engineering experience, though such experience is not essential. The unit will probably take its camp training at Nanaimo next month, and two groups, one from September 1 to 15, and the other from September 16 to 30. Headquarters will be in the old Woolen Mill building, Dallas Road and Montreal Street, where recruiting will open tomorrow, between the hours of 10 a.m. and 6 p.m. Thereafter, recruits will be attested daily from 9 a.m. to 10 p.m.

NEW HEADQUARTERS All N.P.A.M. units here will move their headquarters to the Woolen Mills from Monday on the Bay Street Armoury, where they have so far been taking their evening training. It was announced yesterday by Lieut.-Colonel J. Chester Harris, C.O. the 5th Coast Brigade militia unit, who has been appointed officer commanding the mill building. The units affected are those of the 5th Brigade, the Scottish, the 13th Field Ambulance, R.C.A.M.C.

By last night, the ranks of the 5th Brigade had almost been filled and there is now no question that the unit will be brought to strength with volunteers. Places in the unit are being held for certain specialists that every unit needs, chiefly cooks in the case of the 5th Brigade.

Colonel Harris last night described the men of his unit as "a fine lot of boys, keen as mustard." Wednesday and Saturday afternoon detachments already have had their first taste of artillery practice in coast forts, and have absorbed the instruction given to them with surprising rapidity, Colonel Harris said.

TRAINING CENTRES OTTAWA, Aug. 16 (CP).—Locations of the thirty-nine training centres at which members of the non-permanent active militia called up by age groups will receive their basic training, were announced tonight by the Department of National Defence.

The camps in British Columbia will be located at Nanaimo, Victoria and Vernon.

Work on getting the centres ready for use in October is under way. They vary in size from a centre accommodating one company, or about 250 men, to one accommodating four companies or about 1,000 men.

The administrative staff for a four-company centre will be about 200 officers and men, and smaller staffs will be stationed at smaller centres.

Mink Breeders to Hold Field Day

At the meeting of the Vancouver Island Mink Breeders' Association last night at 825 Fort Street, plans were discussed for the forthcoming mink breeders' field day, to be held at a date yet to be determined.

Others discussions of the meeting pertained to the effects of feeding on the health and fur quality of the animals. The Hawkins Fur Farm of Sanibel reported the birth of a South American mink, somewhat of a rarity in this country. It was also decided to see what could be done in regard to obtaining a grader, that the mink might be graded more evenly.

The Victor Food Company announced at the meeting that a field day was to be held here either late in September or early in October when Mr. Meyers, Sr. of New York, would be in attendance to offer his expert advice to the breeders in this district. Mr. Meyers is one of the world's foremost fur experts.

CHURCH ELDER LAID AT REST

Many Attend Funeral Services Conducted Here for Late William Sones

THE LATE WILLIAM SONES

Friends of the late William Sones met on Monday in Centennial United Church, Gorge Road, to pay their last respects. Mr. Sones was a very valued member of the Centennial Church and had served faithfully in many capacities, including that of elder, over a period of years. The beautiful floral tributes attested to the esteem in which he was held.

Rev. S. Howard conducted the funeral service, assisted by Rev. John Turner and Rev. S. S. Peel. Mrs. Paul Green played appropriate music. Mrs. C. Williams sang "The City Four Square." Interment was made at Colwood Burial Park. J. W. Alton, T. H. Fletcher, J. P. Bruce, J. L. Jeffries, J. W. Cooper and J. W. Docking acted as pallbearers.

The late Mr. Sones was born in 1877 in London. He came to Canada in 1893 and settled at Carberry, Man. He farmed in the district until 1918. At this time he took over photographic studio in the town of Carberry. In 1925 he moved to Victoria and bought the Wilhern Apartments, Dunedin Street.

He leaves to mourn his loss his widow, two daughters, Wilma and Mary, a son, Ernest, two brothers, Robert, on Lulu Island, and Lawrence, in England; one-half brother, William Goodwin, of this city, and three half sisters in England.

DISCUSSING JOINT DEFENCE PROPOSAL

Continued from Page 1

sations are in progress between Canada and the United States, the President said.

"The United States Government is holding conversations with the representative of the British Empire in regard to acquisition of naval and air bases by the United States for American Hemisphere defence, with special reference to the Panama Canal."

The President cautioned reporters repeatedly not to tie it up with any speculation about the release of American destroyers to Great Britain.

The President's insistence that the negotiations for naval and air bases not be linked with British proposals to acquire American destroyers was in line with assertions made by a Foreign Office spokesman in London.

Earlier today Mr. King confirmed a statement from the President that discussions are being carried on between the United States and Canadian Governments looking to joint defence of the American Continent.

SWEDISH STEAMER SUNK OFF IRELAND

NEW YORK, Aug. 16 (CP).—The Swedish steamship Hedrun was reported torpedoed today off the Irish coast, in a message picked up from Great Britain by Mackay Radio.

An SOS message indicating an attack by a submarine said: "Hedrun torpedoed." Mackay said the message came from the Portlaoineh Radio in the British Isles.

Church Vacation School Here Closes

PUPILS who attended the Central Church Vacation School, photographed above at the Balmoral Road entrance to First United Church, brought the annual two-week Summer Christian educational course to a close last night by demonstrations of their studies in the church gymnasium. Many parents and friends attended and were welcomed by Miss Marie McDougall, principal of the school. The gymnasium was attractively decorated, and children's handwork—a Palestinian scene, relief maps of the Holy Land, and gifts for the patients of the Solarium, were displayed on tables round the gallery. Miss Wilma Gardner led the beginner-primary department in a

service of worship, including hymns, prayers and Scripture verses learned during the school. Under the supervision of Mrs. K. O. Wright, the Junior-intermediate department sang "The Books of the Bible" and "The Lord Is My Shepherd," and took part in Bible drill. The whole school sang its theme hymn, "Praise My Soul, the King of Heaven." A music appreciation period was conducted by Miss Doreen Briggs, and the Solarium gifts were presented. Certificates were given to children attending at least seven of the sessions, and special awards were given to those who memorized the Books of the Bible, the Ten Commandments, the Lord's Prayer, Twenty-Third Psalm, and John III, 16.

MAJOR IAN ST. CLAIR

FOR thirty-five years cridet instructor in Victoria, who lives in retirement on his farm at the corner of Cedar Hill Road and North Quadra Street, celebrated his seventy-third birthday on Thursday, and was visited by many of his former pupils. Prior to the first Great War, he built and maintained a large swimming bath in the Upper Harbor, where he taught thousands of school children to swim. Handicapped by deafness and blindness, Major St. Clair remembered each of his callers as they were introduced to him by the "hand-touch" talking method. He was also the recipient of many gifts. Through the interest of his sister, Mrs. Currie, who, with her son and daughter, have recently arrived from England to stay with him, he has made many connections with blind institutions, and is in daily receipt of much Braille manuscript.

Brief Call Paid by Massachusetts Travelers on 9,000-Mile Trip

On a 9,000-mile trip by car, Mr. and Mrs. Frederick N. Guertin, Worcester, Mass., reached here yesterday for a short look at the capital of British Columbia.

Every Summer their vacation takes the form of a long automobile jaunt. On this trip they are completing a visit to eight Western states, which rounds out their tour of the United States as a whole, the other forty states having been visited in previous years.

They have also motored through Prince Edward Island and the Gaspe Peninsula, and south to Mexico City. Four years ago they made their way to Callander to see the Dionne quintuplets and on their way back to Worcester, where they are due September 1, they intend visiting them again.

DRIVING NO BURDEN Last night Mr. Guertin visited the offices of The Colonist and was an interesting visitor as he was conducted through the editorial and mechanical departments of the paper.

Long-distance driving is no burden to Mr. Guertin. He has his own rules.

Miss Ella Fast Bride of Mr. William H. Yardley

The marriage took place last evening at the home of Mr. and Mrs. W. H. Yardley, 145 Wellington Avenue, when their eldest son, Mr. William H. Yardley, was united in marriage to Miss Ella Fast, daughter of the late Mr. M. G. Fast and Mrs. Fast, Blaine Lake, Sask. Rev. J. Norman Green, of Fairfield United Church, officiated.

For the occasion, the house had been beautifully decorated with a profusion of lovely Summer flowers. The bride was given in marriage by Mr. Frank Carney and she looked charming in her bridal gown of white net, the full crinoline being made with insets of lace. The bodice was made with a square neck-line and short sleeves and a little lace jacket completed the gown. From a coronet edged with pearls, the long Brussels net veil fell to the hem of the gown, and the bride carried a prayer book showered with ribbons and gardenias.

THE ATTENDANTS

Her bridesmaid was Miss Ardath Yardley, a cousin of the groom. Her flock was of powder blue jersey silk, the bodice and sleeves shirred, and her little hat was of pink moiré, trimmed with flowers. She carried a bouquet of pink carnations.

Little eight-year-old Betty Yardley, sister of the groom, was the flower girl, wearing a frock of pink marquisette with a blue sash. Her old-fashioned poke bonnet, which matched her frock, being tied under her chin with a blue ribbon. Her colonial bouquet was composed of pastel shaded flowers. Mr. Howard Jones was best man.

During the signing of the register, Miss Helen Underhake, of the Regina Conservatory of Music, sang "I Love You Truly" to the accompaniment of other wedding music being played by Lady Emily Walker.

THE RECEPTION

About forty guests attended the reception and were received by Mrs. Yardley in a soft blue lace jacket frock and a corsage bouquet of pink roses and gardenias, and by Mrs. John Lucie, Blaine Lake, Sask., who wore a pink tulle frock with a corded tulle jacket and a corsage bouquet of gardenias and roses. Refreshments were served from a table arranged with a cutwork cloth, pink candles in silver holders and holding the place of honor was the three-tier wedding cake, which was cut by the bride. Roses, gladioli and sweet peas were the flowers used in decoration of the table. Assistance in serving were fellow members of the bride's class of 1940 of the

Royal Jubilee Hospital, Misses Phyllis Gray, Phyllis Jones, Madeline Lord and Jeanne Gross. Mr. Gerald Yardley, uncle of the groom, proposed the toast to the bride.

Mr. and Mrs. Yardley left later in the evening for their honeymoon trip to Island, the bride traveling in a smart black suit with a silver fox fur and black French fur felt hat and veil. Her corsage bouquet was of gardenias. On their return, the couple will make their home in Victoria.

Mrs. P. K. Yardley, the eighty-one-year-old grandmother of the bridegroom, came over from Vancouver to attend the wedding, accompanied by her granddaughter, Miss Phyllis Yardley, of Langley Prairie.

V.H.S. Alumni Flannel Dance Attracts Many

A successful flannel dance was held last evening at the Crystal Garden, and drew a large crowd. The affair was arranged by the Victoria High School Alumni Association, which has been responsible for many such similar gatherings during the past two or three seasons.

Ray Whitehouse, past president of the Victoria High School Students' Council, proved an efficient guest master of ceremonies in a capable manner.

Popular singing was enjoyed through the vocals rendered by Miss Maxine High, Bob Wormington, tap dancer, also gave a fine exhibition of tapping.

Variety numbers were played by the five-piece orchestra, which included medleys, barn dances and "jitterbug" contests.

The balloon barrage had been a success so far as it was intended to serve, the air officer said. The balloons were not primarily to trap raiders but to keep them at a height which would render accurate bombing difficult and make them better targets for anti-aircraft guns.

ABSOLUTE IDENTIFICATION

Identification of the attacking planes as Italian was "absolute," the high informant said, and the officer of the warships — the Vasilevs Georgios I and the Vasilevs Olga — had so informed the Greek Navy Ministry.

Nevertheless, the Government of this small pro-British kingdom, facing what some diplomatic observers interpreted as substantially an undeclared war—carefully refrained from comment, insisting the bombers were of "unknown" nationality. The destroyers were attacked en

route to the island of Tuni, in the Aegean Sea, where only yesterday the Greek cruiser Helle was mysteriously torpedoed—by an "unidentified" submarine, said the Greek Government.

OFFICIAL SILENCE

There were signs that the Government would maintain its policy of official silence, in the belief these attacks were planned to force Greece to abandon her neutrality. The country has a guarantee of support from Britain if her independence is attacked.

(In Istanbul, the Turkish Parliamentary Deputy Hussein Djahid Yalichin declared "any attack against Greece will have the consequence of British assistance and Turkish intervention.")

GRIST FOR THEM

Police at Greenford, Middlesex, helped a lion in distress during the great freeze. They warmed it, fed it—and then set it free. But before flying off it bit the sergeant's nose. Reporters describe it as ungrateful. They're ungrateful. It gave them "a nose for news."

SNEAD SETTING FAST PACE IN CANADIAN OPEN GOLF

Dr. Loudon Scores Fine Victory Over Bernie Schwengers

Yakima Veteran Captures Grand Championship Of Seniors' Northwest Golf Association at Colwood Course on Final Green—Match Is Keenly Fought—Tournament Ends

Taking the lead at the first hole and never relinquishing it for the rest of the journey, despite the determined efforts of his opponent, Dr. J. P. Loudon, of Yakima, broke down that old adage, "that the medalist never survives match play," yesterday at the Colwood Golf Club when he came through with an one-up victory over Bernie Schwengers, Victoria, in the final of the grand championship of the Seniors' Northwest Association. It was one of the keenest-fought matches witnessed in the seniors for years, the outcome being in doubt until the very last putt was holed. The Yakima doctor, by the way, has won titles before, but not many at the course knew about it. Back in 1929, when he was only a "young" man of forty-four, he captured the American Medical Association crown. He repeated the next year, and then walked off with the same diadem in 1935.

The doctor certainly climaxed a fine week of golf, his first as a member of the association. Starting off on Monday he set the pace by winning the medal test with a brilliant round of 74, three strokes in front of E. L. Skeel, Seattle. Then he proceeded to mow down the opposition in match play, commencing on Tuesday, and finished it off yesterday by nocking out Schwengers in the final on the eighteenth green. The Victorian, by the way, won the crown in his first year of competition in 1937 at the Oak Bay Links.

WINS FIRST HOLE

After a long, straight drive at the first hole, Schwengers found a trap with his second, barely got out with his third, and then ended up with a five to Loudon's four to lose it. The doctor went two up at the second when he canned a difficult downhill putt for a birdie three. At the third, Loudon ran into trouble when he smacked his second out of bounds and ended up with a seven to Schwengers' five. The local veteran went over the fourth green into rough and wound up with a four to the American's four. The ultimate champion came through with another win at the long dog-leg fifth, which he won with a five to go three up.

Schwengers won back the sixth after his opponent caught a trap with his second, just got out with his third and then missed a six-footer for a four. The seventh was halved in pars after Schwengers recovered nicely from a bunker, and the next was even when both reached the carpet in two and ended up with fours. Again at the ninth the finalists hit the green in two and used up the regulation number of putts for their fours, leaving Loudon two up at the half-way mark.

Loudon caught the rough on the right with his second on the tenth, but he got on in three and canned a fifteen-footer for another win to increase his lead to three up. Schwengers played the 230-yard eleventh perfectly and won it with a par three. A pair of fives halved the long and difficult twelfth, but the Yakima doctor boomed through with a four at the next green to move into a three-hole lead again. Schwengers staged a belated rally from then on. He rammed down a long putt to win the fourteenth and then drove within six feet of the pin at the next hole and sliced the margin to one up when he sunk his putt. Fours halved the sixteenth and the same figures were posted at the next green. On the final green the Yakima medical man stepped up very calmly and pushed down a ten-footer for his four and the match was all over, a new successor to Jack Hallinger moving into the drivers' seat.

Bimelech Faces Post Today and Is the Favorite

SARATOGA SPRINGS, N.Y., Aug. 16 (AP)—A trio of historic old stakes—Bimelech makes his latest run for the three-year-old crown in one of them—will bring Saratoga's racing season to its mid-summer peak tomorrow.

Down for decision on the eight-race programme, which in all probability will attract upwards of 20,000, are the seventy-first running of the Travers, oldest stake race in the United States; the Spinaway and the North American Steeplechase Handicap.

Bimelech, star of Colonel E. R. Bradley's string, is going after the estimated \$20,000 Travers purse. He must share top-billings, however, with a pair of unbeaten two-year-old fillies, Level Best and Nasca, which clash in the Spinaway.

With Don Meade in the saddle instead of the usual F. A. Smith, Bimelech is the logical Travers choice. His most important competition should come from Mrs. George D. Widener's Your Chance, with the capable Harry Richards aboard.

Reaches Net Semis

NEWPORT, R.I., Aug. 16 (AP)—Charles Matman and Robert Harman, of Los Angeles, gained the semi-final doubles round of the Newport Casino tennis tournament today by defeating Frank Kovacs, Oakland, and Edwin Amark, San Francisco, 3-6, 2-6, 6-4, 9-7, 6-4.

Earlier in the day Kovacs gained the final singles round by eliminating Midshipman Joe Hunt, Annapolis, 6-4, 5-7, 6-4, 6-2. Don McNeill, national clay court champion from Oklahoma City, won the other berth by disposing of Frederick Schroeder, Jr., Glendale, Calif., 6-3, 6-4, 6-2.

Frank Parker, of Oakland, and McNeill won the other berth in the doubles final by overpowering Frank Guernsey, of Orlando, and Russell Bobbitt, of Atlanta, 6-4, 6-4, 6-4.

Champion Receives Congratulations

Here's Bernie Schwengers, well-known Victoria veteran, on the left, shown congratulating Dr. J. P. Loudon, Yakima, after yesterday's final of the grand championship of the Seniors' Northwest Association. The American doctor won the title on the final green, one up, after one of the keenest matches of the week. Both played good golf yesterday, the new titleholder going around in 77, which included a seven on the third, and the Victorian had a 75. Loudon also captured the eighteen-hole qualifying round on Monday from a starting field of 130 competitors with a card of 74, three strokes ahead of his closest opposition.

Cincy Reds Capture Pair to Widen Lead Over Brooklyn Clan

League Leaders Win Double-Header From Chicago While Dodgers Are Losing to Bees—Feller Scores Twenty-First Win of the Season

By The Canadian Press

St. Louis Browns pounded Bob Feller for six hits and two runs in the first two innings today, but the Cleveland ace then settled down and posted his twenty-first victory of the year. The 8-3 triumph enabled the Indians to widen their first-place lead in the American League over Detroit to three games.

Feller allowed twelve hits and fanned three batters, running his season strikeout total to 200. Jimmy Fox, took personal charge of a 2-6 Boston Red Sox victory over Washington Senators, breaking a 6-6 deadlock in the tenth inning with his thirty-first home run of the campaign.

It was the second circuit wallop of the day for the slugging catcher. The two circuit drives increased Fox's lifetime home run total to 495, putting him in second place ahead of Lou Gehrig, who hit a total of 494 during his career with New York Yankees. Fox is still far behind the lifetime total of more than 700 compiled by Babe Ruth.

Chicago White Sox, scoring nine runs in the eighth inning and hitting three pitchers for fourteen hits, beat Detroit Tigers, 13-4, in the opener of a three-game series.

REDS WIN PAIR

In the National League, the high-flying Cincinnati Reds snapped out of their long hitting slump, banking out twenty-six hits off four pitchers for a double victory over Chicago Cubs, 9-4 and 6-3.

Defeated in a squeeze finish in the first game of a double-header by Pittsburgh Pirates, 6-5, St. Louis Cardinals roared back to take the nightcap, 9-5.

There were two night games in the National League. In one of them, the Giants came from behind with three runs in the seventh and eighth innings to whip the Phillies, 5-3. In the final night game of the season at the Polo Grounds, Buddy Hasset's twelfth-inning single scoring Eddie Miller gave the Boston Bees a 2-1 victory over the Brooklyn Dodgers before 33,580 fans who jammed Ebbets Field for Freddie Fitzsimmons' "night."

The defeat dropped the Dodgers six and a half games behind the league-leading Cincinnati Reds.

The portly Freddie, who was honored with gifts that included an automobile, a shotgun and two pipes, after sixteen years in the majors, couldn't spur his mates through tonight's game—the fourteenth victory for the Bees in their last nineteen outings.

Strong Entry for Important Gala at Thetis Lake Today

Aquatic Stars From Edmonton, Regina, Seattle, Vancouver and Kelowna Along With Local Contingent Going After Western and British Columbia Titles—To Start at 2:30

Two Western Canadian, nine British Columbia and two local swimming championships will be at stake today at the big gala at Thetis Lake, when the officials of the Vancouver Island Swimming League, under the sanction of the British Columbia section of the Canadian Association, run off the most important programme of events of the season. Aquatic stars are here from Edmonton, Regina, Kelowna, Vancouver and a few from Seattle who will be gunning for the various titles. Victoria's contingent has been training hard during recent weeks, and some of its performers are quite confident of capturing their share of the championships. The first race will start at 2:30.

Among the Vancouver entries is none other than Joan Langdon, who smashed the recognized world record for the fifty-yard breast stroke distance at the recent Kelowna regatta. She will be facing the starting gun in the fifty yards free style and 100 yards breast stroke. From Edmonton Bob and Doug Matheson are sure starters in the 100 yards, men, backstroke for the provincial crown, fifty yards free style and the one-mile event for the Western Canadian title. Hugh McGregor will be carrying the colors of the Regina Swimming Club in the same events.

Allie Stewart-Irvine will be a strong contender for the one-mile championship. She already holds the Alberta mile crown. Pat O'Hara is the one Seattle swimmer who will have to be watched carefully. She formerly lived in Vancouver and, therefore, is well known in the city.

Jeanette MacDonald and Nelson Eddy in New Musical Romance Of Old South

In a picture which is said to surpass even their greatest triumph on the screen, Jeanette MacDonald and Nelson Eddy are teamed again, this time in the musical romance, "New Moon," a story set against the colorful background of early New Orleans.

The musical production, which opens today at the Capitol Theatre, is their first time together since "Sweethearts," which was immediately followed by each making a concert tour across the country.

"New Moon," in addition to its dramatic and exciting romance of a lady of French royalty and a fugitive from political justice, offers such all-time musical favorites as "Love Come Back to Me," "One Kiss," "Wanting You," "Largo," "Marie," "Paree," "Shoe Shine Song" and the stirring "Rout Healed Men."

RIO Stem Duna, the Hun Theatre, has mastered a hundred of the world's most exotic dances, but when it comes to juggling she flunked every time! Stem admitted this deficiency during the filming of her newest picture, "Law of the Pampas," ending today at the Rio Theatre, when William Boyd, the leading man, complimented her on learning three difficult Argentine dances in only three days.

OAK RAY Mary Carlisle, blonde Theatre comedienne who says she is a self-made actress because she served as her own agent in securing her first screen roles, plays the leading feminine role in Universal's "Call a Messenger," which ends today at the Oak Bay Theatre.

Gasmen Eliminate Rivals in City Series—Final Set This Evening

Sweeping the preliminary series in straight games, Manager Bert Nex's Gasmen will open their final bid for the city baseball championship and the historic Rithet Cup, emblematic of the title, this evening at Royal Athletic Park.

Gasmen will go up against Manager Scotty Robinson's top-birth Tillamook Athletics in the first game of the best-of-seven series for the bunting. The fixture is scheduled for 5:45 o'clock.

Pitzer & Nex made local diamond history last night at the Caledonia Avenue ball lot when they defeated the Eagles 4-2 in the third game of the preliminary play-downs and put an end to the 1940 championship aspirations of Bill Bridgwood's Gasmen. Last season it took the Gasmen four games to dispose of the battered tribe before reaching the final and beating the clubbers in the field.

WALKS IN RUN
With the score 2-2 and Barney Barnwell on the keystone base, Davies walked Henry Woodford and Lorne Murray, successive batters, in the fourth inning. Costly bobbles and lack of control by young Stan Davies, Eagles moundman, aided in pushing the Gasmen out of the championship. Davies pitched two-hit ball, good enough to win in any company, but his clubmates had a bad time in the field.

Not content with their single run margin, Gasmen scored again in the fifth session of the abbreviated contest. Ralph Coster racing in from third when Al Condon, first sacker, dropped the ball.

Each scored one run in the second frame, Les Stobo coming home from third on Barnwell's bad throw to the initial sack. But the Gasmen really earned their second and final run of the ball game. Raymound George led off in the third frame with a base on balls.

He was sacrificed to the keystone sack by Manager Bill Bridgwood and scored on Stobo's single.

Lorne Murray, making his second start of the season on the mound, looked good. He pitched four-hit ball, with Les Stobo and Al Condon each collecting a pair of safeties for the clubmen's only bingles. Murray's control was good. He fanned four, one less than Davies.

The Eagles mound star tossed up a nice assortment of curves, but had trouble with his control. He walked four.

PLAY TONIGHT
Gasmen are really "hot" right now and many followers of the diamond pastime are already naming them to defeat the Tillamook Athletics.

"Copper" Ray Maitland, who bested Russ Richardson in a pitching duel in the series opener with the Eagles, will work tonight for Pitzer & Nex. Speedball Lloyd Cann will probably hurl for the league leaders.

Lucy Hanover Is Trotting Winner

GOSHEN, N.Y., Aug. 16 (AP)—Lucy Hanover, owned and driven by Ben Franks, of East Dubuque, Ill., won the Tappan Memorial Consolation for two-year-old trotters on the final card of the Grand Circuit meeting at Good Time Park today.

Perpetual, from Dr. H. M. Parrish's stable, won the first heat 1:23-5, but Lucy Hanover came back to take the second in 2:10 and the third in 2:09 1-2.

Lord Seika was best in the first two heats of the classified trot, but bowed to Town Talk in the third. The third event was a Hartman family affair. All of the four starters in the amateur event were from Harriman's Arden homestead. The winner was Prohibitor, driven by Elbridge Gerry, chairman of the State Harness Racing Commission and nephew of E. Roland Harriman.

Gasmen will go up against Manager Scotty Robinson's top-birth Tillamook Athletics in the first game of the best-of-seven series for the bunting. The fixture is scheduled for 5:45 o'clock.

Churches and Their World-Wide Work

MODERATOR TO BE NAMED SOON

General Council of United Church to Hold Meeting In September

WINNIPEG, Aug. 16.—Preparations are nearly complete for the biennial meeting of the general council of the United Church of Canada, which will open in August-September at the University of Toronto, and will continue for a week's session. Commissioners will attend from all parts of the Dominion and from Newfoundland.

One of the first items of business will be the election of a moderator to succeed Rev. Dr. J. W. Wooddale, Ottawa.

Rev. Dr. A. S. Tuttle, principal of St. Stephen's College, Edmonton, has been nominated for the office by a number of presbyteries and is considered a likely appointee. Others named mentioned are those of Rev. Dr. E. Crossley Hunter, Hamilton, and Rev. Dr. W. Harold Young, Toronto, who also have been nominated by presbyteries.

A proposal that has been before the church for the past two years, calling for election of two moderators is expected to be dealt with by council. It recommends that instead of one moderator to serve a two-year term, as at present, two men be elected, to serve one year each, the second man retiring when council meets.

Those who support this proposal argue that when, as now, a moderator is elected for two years, the burden on his church is so great that it precludes the possibility of the minister of a smaller congregation being honored by election.

Pastor Says Pacifism Is Not Christian Way

TORONTO, Aug. 16.—Current issue of The Canadian Baptist contains an interview with Rev. Dr. J. H. Rushbrooke, London, president of the World Baptist Alliance, in which he expressed strong convictions on the question of war and pacifism. As quoted, shortly before he sailed on his return to England after a Canadian and American tour, he said, in part: "Pacifism is a dying cause in a world of reality. It has practically vanished in Great Britain. The grim facts of total war have done what argument could not do. I heard an American preacher a week or two ago declare that the use of force was utterly opposed to the teaching of Jesus, who came to proclaim love. I would like to have gone up in his pulpit when he was through and have shown his hearers that their pastor was all wrong. 'Hate is the opposite of love, not force. Force is often necessary as an expression of love. The parent who

CHURCH IN THE VALE

There is really a "Little Brown Church in the Vale." It is situated at Natchez, Iowa, and was made famous by the hymn of Dr. Pitts, who lived near by. The building was not brown originally, but here the song was first sung by the author and it caught popular fancy. So later on the church was painted brown to make things appropriate. Like the Little Church Around the Corner in New York, it has become famous as a place for weddings.
